Thanks David. That narrows it down. It sounds like the approved program would have been sometime in 1990.

Cathy – Do you know the date that Eureka's program was approved?

Jim,

I have been unable to track down a specific date of approval for the City's Pretreatment Program. The oldest Annual Report I have been able to access is from 1990 and it has a pretreatment section as well as mentions the upcoming technology based local limits adoption planned for 1991.

David

Hi David,

I hope all is well with you.

I am continuing to work on my investigation of Pacific Choice Seafood and I had a couple of questions for you:

- 1) Can you email me a copy of Pacific Choice Seafood's most recent discharge permit. The one I have expired on 9/30/19?
- 2) Can you tell me the date that the City of Eureka's Pretreatment Program was approved by the Regional Board?

Thanks for your assistance.

Jim
